

Pine Cliff Resort, for many, is a home away from home for the summer months in Ontario. Becoming a seasonal camper at Pine Cliff allows you to get away from the city and enjoy the country and lakeside without the exorbitant costs, taxes and maintenance of a waterfront cottage. We offer full service camp sites with 30 amp electrical, water and sewer services. We offer regular seasonal lots as well as fantastic waterfront lots. Our seasonal campers also have the option to rent their own private dock and have full access to Pine Cliff's boat launch.

We're open from the first week of May until Thanksgiving weekend in October.
